WORK EXPERIENCE

Gabriella White - Gabby | Pelham, AL | 2022 – Present

Design Operations Specialist (January 2026 – Present)

Product Designer (March 2025 – January 2026)

Junior Product Designer (October 2022 – March 2025)

- Promoted twice in one year for thorough understanding of internal design language and development process.
- Design from ideation to production, integrating trend and market research information with established brand visual language while keeping factory capabilities under consideration.
- Manage contract design team to ensure consistent design language, maintain deadlines, and communicate updates to other departments.
- Helped spearhead the first collection-driven product launch, developing full bedroom and living room collections by integrating new and existing designs motifs.
- Lead development processes overseas involving multiple countries - managing sample tracking, documentation.
- Maintain direct communication with multiple factories to upkeep timely execution of product development including overseas travel to multiple regions.
- Collaborate with cross-functional teams to ensure proper communication and timely deadline completions.

EDUCATION

Bachelor's – Industrial Design

Auburn University, Auburn, AL

2018 - 2022
